

# COMMUNITY SERVICE PROJECT

For the 2017-2018 **Community Service Project**, hosted by the Yearbook Staff and News Crew, we will hold a fundraiser for two little boys in our community who both have the same, rare inoperable brain tumor. As a group, we wanted to help raise money for these two families. Ridge Riley, 4 years old, and Brodie, 5, are just like any other boys at this age. They love to give high-fives, playing with their dinosaur figurines, and meeting new people.

On Friday, September 15th, they met most of the students at C. W. Stanford Middle School, as they are the recipients of this year's annual fundraiser. We met Ridge during last year's fundraiser for the St. Baldrick's Foundation, when we hosted the head shaving event, in which the Sheriff's Department Participated. Ridge is Sgt. Chad Riley's son and was at the time going through chemotherapy. When we spoke to the family, it only made sense to include his best friend Brodie as well. The boys met at Duke as they were going through treatment.
