### **Title I Parent Involvement Policy**

The Title I *No Child Left Behind Act* (NCLB), a federal program, provides additional money to qualifying schools. It also encourages and provides training and opportunities for you, the parent or interested adult, to be a TEAM PLAYER in the education of children.

All Title I Team Players will be provided the opportunity to sign a Compact or Promise that we will all do our best to help students succeed. The Compact identifies certain things we each can do to be sure that every student meets State student performance standards.

The Orange County Schools Title I Program reaches out to all families in a team building effort as we comply with all State and Federal requirements of Section 1118 of the Title I *No Child Left Behind Act* of 2001.
