

The following questions have been asked related to the Orange County Schools Audit RFP. Please see the questions and answers below.

1. In the RFP, you requested us to talk about how we would use your internal audit department. Can you describe how the current auditors use them and what their qualifications are? **The RFP states "if applicable". Orange County Schools no longer has an internal audit department.**

2. Does the Board expect any significant changes in your activities and/or grants for 2016? **No.**

3. When requesting information, will there be one contact person or various department heads that will provide the information. **Various department heads will provide the information, but it will all be funneled through one person in the Finance Department. Also, there will be one contact person in Finance to receive all requests for information.**
