

## Week Three Message

Dear Summer Scholars Families,

We had a great week as we finished up session 1! I want to thank you for your patience as we worked out the kinks for session 1. This week we had a great spirit week, please click [HERE](#) to check out some pictures! To send off our students and bus drivers, we ended Session 1 with a dance party and students made cards and signs for the bus drivers. It truly takes a village to make this program successful and I thank you for your partnership in doing so for our students. **A reminder that we do not have a session from July 5th-July 9th!** As we go into Session 2, we look forward to another successful three weeks starting **July 12th, 2021**. Your student may have a new teacher for the second session, however, they will be in the same room. Please anticipate an introduction letter from your child's Session 2 teacher!
