

NEW OCS ONLINE ACADEMY TO OPEN AUGUST 23rd!

The **OCS Online Academy** will offer students an asynchronous learning experience that is very different from the virtual learning that was offered during the height of the pandemic.

The OCS Online Academy is a 100% virtual/online school in Orange County Schools. It is recognized by the state as a separate school in the district that will have its own school leadership. The NEW school will be offered to students in grades K-12.

This is a 100% virtual learning opportunity for 2021-2022, which will launch August 23rd for students in grades K-12!
